***The European Enterprise Alliance welcomes Made in Bulgaria - Union of small and medium sized enterprises as its Member.***

On the 10th of May, the EEA welcomed *Made in Bulgaria - Union of small and medium size enterprises* from Bulgaria as its newest Member.

Made in Bulgaria is an independent, professional, and voluntary association of employers - producers. It operates in complete democracy, voluntariness, and equality and is independent of political parties and organisations.

Marcin Nowacki, President of the European Enterprise Alliance: *"I am delighted to welcome our newest Member and partner. Expanding our network to Bulgaria will allow us to deliver the regional objectives better to support economic growth and business development in Central and Eastern Europe."*

Plamen Grozdanov, Executive Director of Made in Bulgaria, said, *"I am thrilled to join the EEA, and I am looking forward to working together on creating a stronger and more supportive policy environment for producers and small and medium size enterprises. By coming in our strengths with those of the EEA, we will become a valuable partner for the European policymakers."*
