***The European Enterprise Alliance welcomes the Union of Ukrainian Entrepreneurs (SUP) as a new Member.***

On the 29th of August, the EEA welcomed the Union of Ukrainian Entrepreneurs (SUP) from Ukraine as its newest member.

SUP is the largest united force of Ukrainian entrepreneurs with a mission to create and develop a favourable business environment in Ukraine. It has become the most powerful united voice of independent Ukrainian entrepreneurs that consolidate, represent and protect the interests of Ukrainian businesses. SUP fosters a positive image of entrepreneurs and entrepreneurship in Ukrainian society, popularises entrepreneurship, and encourages Ukrainians to become entrepreneurs.

Marcin Nowacki, President of the European Enterprise Alliance: *"We are honoured that another Ukrainian organisation has trusted us and joined our alliance. We are proud to be representing Ukrainian small and medium size organisations and entrepreneurs during these challenging and dangerous times. Together we will work towards a better business environment so they can prosper in the future."*

Kateryna Glazkova, CEO of the Union of Ukrainian Entrepreneurs, said, *We are glad to join the EEA and expand our network to advance the creation of advanced and comfortable business climate and promote and support the export of Ukrainian goods and services. By uniting independent Ukrainian entrepreneurs, regardless of their activities' scale, industry and geography, with their European counterparts, we want to promote innovation and open new markets for Ukrainian companies."*
