

The European Enterprise Alliance welcomes four new members ZPP Warmii i Mazur, Wielkopolski Związek Pracodawców, Wielkopolska Izba Gospodarcza w Gnieźnie, Świętokrzyski ZPP

On November 29, 2023, European Enterprise Alliance welcomed four new members.

Warmii i Mazur newly established local organization bringing together micro, small and medium-sized entrepreneurs from various industries. The organization aims to strive to improve the conditions for running a business and to represent the interests of associated members from the Warmian-Masurian Voivodeship towards public authorities and administration bodies.

Wielkopolski Związek Pracodawców (WZP), brings together over 190 leading representatives of employers and entrepreneurs from the Greater Poland area, employing nearly 20,000. employees. They effectively represent the interests of associated entrepreneurs towards local government authorities and government administration, as well as towards employee trade unions.

Wielkopolska Izba Gospodarcza w Gnieźnie (WIG), established on June 22, 2017, operates to create conditions for the development of life, support economic initiatives of WIG members, conducting promotional and service activities in the field of economic cooperation in Poland and abroad, and supporting capital and scientific and technical cooperation.

Świętokrzyski ZPP connects entrepreneurs and employers within the Świętokrzyskie circle. They are committed to fostering collaboration and advocating for initiatives that drive the region's growth and development by inviting every entrepreneur who values collaboration and aims to make a significant impact in the regional business environment to join and cooperate with them.

Marcin Nowacki, President of the European Enterprise Alliance: *"We are privileged that another Polish entity has placed their trust in us and become part of our alliance. Representing Polish small and medium-sized businesses and entrepreneurs fills us with pride. Together, we will strive to enhance the business landscape, ensuring their future prosperity."*

Świętokrzyski Związek Przedsiębiorców i Pracodawców representative, said, *"This is another step in building partnerships for our regional organization, to consistently strengthen the position of our Entrepreneurs."*
