

We welcome the decision of European Leaders to approve the Ukraine Facility as it stands as a beacon of hope for Ukraine's economic recovery and modernization within the European Union. With the approved allocation divided into three pillars, we are confident that the Facility holds the key to shaping Ukraine's future trajectory. Rooted in our unwavering commitment to fostering stability, democracy, and prosperity, the Ukraine Facility, catalyzes Ukraine's integration with the EU, ushering in a new era of opportunity and progress.

COUNCIL APPROVES THE UKRAINE FACILITY

A pivotal milestone was achieved today with the approval of the Ukraine facility by the Council. EU's unwavering commitment to bolstering regional stability and fostering solidarity with Ukraine has been once again demonstrated. The allocation support package is poised to serve as a critical lifeline for Ukraine, offering vital financial and military assistance during a period of heightened geopolitical tensions. We are glad to offer our steadfast support from the European Enterprise Alliance, Union of Entrepreneurs and Employers (ZPP) for the initiative.
